7. **Brief Description:**

The **Rojgar Mahakumbh** was attended by eight students of G. M. Vedak College of Science, Tala, along with a faculty member Mr. Kiran Gawade (TPO). The programme was organized at D. G. Tatkare College, Gove, Kolad. The event brought together several companies and organizations offering employment opportunities to eligible candidates. Various companies had their representatives present at the venue to provide information about available job positions, eligibility criteria, job profiles, and recruitment procedures. The participating students visited the stalls/discussion areas of the relevant companies and interacted with their representatives. Based on their educational qualifications, interests, and eligibility, the students appeared for the recruitment/selection processes conducted by the relevant companies. Participation in the Rojgar Mahakumbh provided students with valuable practical exposure to the employment environment. They were able to understand how recruitment drives are conducted and what employers expect from prospective candidates. The interaction with industry representatives also helped students gain awareness about the importance of communication skills, technical knowledge, confidence, and preparation for competitive recruitment processes. The faculty member accompanying the students facilitated their participation and encouraged them to explore suitable opportunities. The students participated enthusiastically and gained useful experience from the event.

## 8. Outcomes:

The participation of eight students of G. M. Vedak College of Science, Tala, along with a faculty member Mr. Kiran Gawade (TPO), in the Rojgar Mahakumbh at D. G. Tatkare College, Gove, Kolad, was a valuable career-oriented experience. The programme provided students with an opportunity to interact with companies and participate in relevant recruitment processes. Such employment fairs are beneficial in bridging the gap between academic education and industry requirements. The experience motivated students to prepare themselves better for future placement opportunities and helped them understand the importance of technical knowledge, communication skills, confidence, and professional preparation. Overall, the programme was useful in creating career awareness and employment opportunities for the participating students.
